### **Greek Life Office - Advisor Plan (every year)**

#### **Advisor Meetings:**

Summer – Dinner with specific council advisors. Councils will pay for dinner and one advisor from each council will coordinate a time and place.

Fall – Assessing Strategic Plan (November Meeting)

Spring – Dialogue with upper level administrator(s). (April Meeting)

#### **Trainings:**

Fall and Spring (September and February) we will host a Training for all On Campus and Off Campus advisors. We will go over the role that each of these play in our community and how they work with our office to ensure chapter success. Each new advisor must attend this at their convenience.

#### **Correspondence:**

Advisor Resource Page on Greek Life Webpage – Up by September 1, 2010. Will include training modules that we do each Fall and Spring as well as other topics that may be of interest to our chapter advisors.

Office will send a “Beginning of Semester” correspondence with important dates for upcoming semester (Feb. 1 and September 1 each year).

Individual meetings can be set up with each Greek Life advisor by calling our office (817) 272-2963 or emailing [susann@uta.edu](mailto:susann@uta.edu). She can assess both our calendars.
